### **Update on Submission of SB488 Literacy Certification Documentation**

At the October 2024 meeting, staff discussed the October 4, 2024 deadline for submission of the SB 488 literacy certification documentation. At that meeting staff notified the COA that extensions had been granted to institutions with extenuating circumstances. These extensions were granted through November 15, 2024. Ultimately, 20 institutions sought an extension. Since then, 19 of the 20 institutions have submitted the required documentation. The remaining submission has not yet been submitted due medical reasons. Staff have been in communication with the institution, and they will be submitting by March 15, 2025.
